

# Join Sirna's Farm Inc. For The New Growing Season! -Get Fresh-Get Local-Get Flavor- 2011 CSA APPLICATION

*June through October (Dates may change due to growing conditions) Tentative Starting Date June 6*

**What is a CSA?** Community Supported Agriculture is a way for the food buying public to create a relationship with a farm and to receive a weekly amount of produce. By making a financial commitment to a farm, people become members (shareholders, subscribers) of the CSA. Becoming a member creates a relationship between the farmer, the food they eat and the land in which it is grown.

**Why Choose Sirna's Farm?** Not only do we grow all of our own produce at our farm, but we produce a large variety of products as well. By choosing to join our CSA you will have easy access to all of your grocery needs included but not limited to: Free Range Brown Eggs, Homemade Sausage, Grass-Fed Angus Beef, Homemade Sirna Nut Butters, Honey, Maple Syrup, Jellies & Relishes, Local Wines & cheese, Handmade Lotions & Body-washes, and more!! (Full product listing is available at [www.sirnasfarm.com](http://www.sirnasfarm.com))
